

Sponsor an attraction at the 4th annual Earth Day Family Festival

Town of Haymarket Saturday, April 17th, 2010 - 9 to 2

Last year the event attracted close to 2000 people. The street was lined with environmentally responsible vendors. Cloggers, clowns, the Manassas Chorale and more performed to everyone's delight. The Kids Fun Activity Center was a buzz with face painting, making birds houses and free safety inspections at the bike rodeo. Other highlights included the treasure hunt and recycling. Help us make the event even bigger by becoming a sponsor. Reach families in Haymarket and the surrounding areas.

Attractions - Children's Ride - Recycling - Reusable Water Bottles - Moon Bounce

Sponsorships*

Children's Train Ride \$500

Sole sponsor
Sole Booth space at attraction
Logo on event signage
Logo on web site
