**Drive Under the Influence, Unreasonable Refusal, Contributing to the Delinquency of a Minor** – On July 20 at 7:36 PM, officers received a lookout for a domestic dispute in a moving vehicle. The vehicle was located exiting I-66 at Route 15 and a traffic stop was conducted at Route 15 and Lightner Road. On interviewing both the driver and her 14 year old daughter, the officers developed suspicion that the driver was intoxicated. After conducting a series of field sobriety tests, she was arrested for driving under the influence, unreasonably refused a breath/blood test and contributing to the delinquency of a minor. The daughter was transported home and turned over to an older sibling and grandmother.
