Haymarket Town Council Continuation of May 3, 2004 meeting

Monday, May 25, 2004 6:30 pm

15016 Washington Street-Haymarket, Virginia 20169

Mayor David P. Taylor

Karnes: Dismayed about Ayers approval. Dismayed about the approval of the Centex project since the residents were really concerned. Comments on number of meetings in May. Concerned with new council starting and term limits between the boards. Wants to know when the ARB Guidelines were advertised for change for a public hearing.

Bennett comments that from what he can read the storm pond is not allowed in the buffer

Maria Turner: Comments on speeding cars. Promised that there would be no smell coming from Fosters Grille and now she smells it.

Sikorsky announces there may be some options for the town regarding speeding on Jefferson and Fayette Streets.

John Cole: Took a walk on the tracks, was wondering who maintains that area?

Karnes: Mentions loosing power last week due to tractor trailer. Wonders what can be done about the low power lines on Fayette Street.

Pam Stutz: Jefferson Street is experiencing a lot of construction trucks. Large pothole.

Nancy Bailey: Comments on intensive speeding on Jefferson Street. Tractor trailers are turning around in Madison Court.
