I would like to be considered to fill the vacant Council seat. I currently serve on the ARB so I could fill the liason position as well. I am informed of the projects going on in town as well as the issues the residents are concerned with. My experien acquired from previous Council seats will allow me to take over Ms. Swinford's seat without having to be trained on processes. I also believe that I can carry out Pam's vision for the town that she presented in her campaign.
