Building Official Report

Jim Lowery-Building Official-Fire Official

Bloom Building-Delayed due to contractual issues

Lowery speaks about the zoning violations at the Winterham site and that he is aware that they are going to have a ground floor apartment for handicap purposes.

Talks about Remax building and Joes Restaurant. He is not happy with the delays on those two buildings, but understands that the utilities are delaying them both.

Lowery spoke to contractor regarding dirt on Fayette Street, they will be washing trucks daily at 4:00 pm. Says he has been told by Blooms' staff that they have a contract and renovations should begin by May 1. He spoke to the people that supposedly had a contract and they are telling him that they do not in fact have a contract.

Mayor asks about Mr. Bailey's water problem. Lowery comments that the new homeowner (Otwell) is taking care of what his problem would be there. But Lowery does believe that Mr. Bailey's well is contaminated on its own. Mr. Bailey will receive written notification on this matter. Weir would like a status on paving. Weir would like to know if Lowery knows anything about paving at the Masonic property, where the commercial lot is. Sikorsky asks about temporary sidewalk at Winterham. Jarboe asks about update on 18th Century Haymarket storm drainage issues. Bryan is absent tonight and we are turning this issue over to an engineer. Jarboe would like council to consider a weight restriction on Fayette and Jefferson Streets.

Treasurer's Report

James speaks about the monies from the Bone Marrow and what we are going to do with the excess. Jarboe announces that she plans on holding an addition drive in Warren County.

Mayor would like the council to review the materials on municipal investments and place on the March agenda. Tobias would like email regarding the cigarette tax stamp.

Cole mentions the violations of decks, especially in Haymarket Station.

Quarles Preliminary Site Plan

Councilman Tobias excuses himself for the remainder of the meeting.....

John Bennett goes through Mr. Eggerston's comments on the Quarles Site Plan.

1. First entrance allows 4 car stacking
2. Second entrance allows 4 car stacking
3. 30,000 square feet under roof of retail space
4. Inter-parcel connectivity at the rear of the parcel
