II. SPECIFICATIONS OF RFP

A. PURPOSE

The Town of Haymarket is requesting proposals for demolition of the building located at 14740 Washington Street, Haymarket, Virginia, Historical Name “Harrover House/Lewis House”, a one-story, circa 1924 Craftsman Bungalow, commonly referred to as the "Town Park Building". The specifications of the demolition work solicited in this RFP are further described in Section II (C) of this RFP.

B. BACKGROUND

The building located at 14740 Washington Street, Haymarket, Virginia, Historical Name “Harrover House/Lewis House”, is a one-story, circa 1924 Craftsman Bungalow, commonly referred to as the "Town Park Building". The Town Park Building was built in the late 1920s-mid 1930s as a Lewis Homes Catalog construction. In 2021 through 2023, the Town was investigating the use of the park house for public events, rentals, community use and other low impact public uses. During the investigation period the Town noted concerns that should be further investigated by a professional engineer. The contracted structural engineer visited the property in late summer/early fall of 2022 and completed the report late 2022. The report recognized structural concerns in the foundation of the house as well as support concerns. On January 2, 2024, the Town Council for the Town of Haymarket, during a regular meeting, voted to demolish the Town Park Building.

10. THE TOWN'S RIGHT TO CARRY OUT THE WORK:

- a. If the Contractor defaults or neglects to carry out the demolition work in accordance with the Contract Documents and fails within seven (7) days after receipt of written Notice from the Town to commence and continue correction of such default or neglect with diligence and promptness, the Town may, without prejudice to any other remedy it may have, rectify such deficiencies. - b. Neither the Town nor its officers, agents, assigns or employees are in any way liable or accountable to the Contractor or his surety for the method by which work is performed by the Town as a result of the Contractor's default or negligence. Notwithstanding the Town's right to carry out a portion of the demolition work, maintenance and protection of the demolition work remains the Contractor's and Acceptable Surety's responsibility.
