The Haymarket Police Department is proud to announce the promotion of MPO Charles “Chip” Burgoon and MPO Donald Finley to Sergeant. Both officers have extensive law enforcement experience and have been serving the citizens of Haymarket for more than 3 years. The announcement for the positions was posted in early August. Over several weeks, the officers had to submit a resume and letter of interest along with completing a Relevant Data Sheet, (experience, certifications, and education) practical test, written test, and oral interview. After completing the comprehensive process, all candidates were classified as “Highly Qualified”. Officers Burgoon and Finley will assume their new duties on September 28, 2024.

What's Going on in Town Hall

- ⇒ Town Benches: our maintenance man, Matt, is currently in the process of removing the benches for refurbishment. By the time autumn arrives, all the benches located along Washington Street in the Town will undergo a thorough cleaning, re-staining, and other necessary rehabilitation work.
- ⇒ Park Sidewalk: We're excited to share that construction on the Town Park sidewalk began at the end of August. This project will enhance connectivity to the park, with a stamped concrete sidewalk scheduled to be poured in the last week of September or the first week of October. Additionally, a crosswalk is planned from Town Park to Coach Way. Thank you for your patience as we work to improve our community!
- ⇒ Snow Removal Policy: Sec. 34-6 Removal of snow and ice from sidewalks was adopted earlier this month. The Town of Haymarket will be responsible for the snow removal on Washington Street sidewalks, all town owned properties and the shared use path on Jefferson Street. To read the new ordinance visit the townofhaymarket.org. and look for the scrolling banner at the top.
- ⇒ New Businesses: Welcome Skyline Financial Partners to the Town. They are located on Jefferson Street across from Cupcake Heaven. Himalayan Grill will be opening in November in Crossroads Village.

2024 Town Ornament– Garrett House

Built in 1889, the Garrett House at 6590 Jefferson St., served as a boarding house for teachers from Haymarket High School. Owned by John William and Nellie Bell Garrett, the home became their residence in 1927. John was a mail carrier, while Nellie managed the boarding house, known for its delicious meals prepared by cooks Lillie Jefferies and Cora Gaskins, especially hot rolls and grape jelly.

Most boarders were young women in their twenties from various parts of Virginia, including Alina H. Hindle and Sallie B. Massey, who stayed there in 1930. The Garretts likely left the home between 1940 and 1949, moving to another residence in Haymarket. By 1950, they hosted fewer boarders and no longer primarily catered to teachers. John Garrett passed away in 1969 and Nellie in 1959, both buried at St. Paul’s.

There are claims that the house was previously owned by the Seale family, among the oldest in Prince William County. However, records indicate that Jarvis Seale, an American Revolution soldier, moved away in 1784, before the Garrett House was built. The loss of the 1890 census makes it difficult to confirm if other Seales lived in the area at that time.

Today Garrett House is known as Details for the Home.
