Due to the COV-ID 19 pandemic, citizens were encouraged to email their comments regarding proposed Resolution 2020-004. Mayor Leake shared that several emails were received and asked how the Town Council would prefer to receive the comments. Town Attorney Crim suggested that the Town Clerk read the names on the email, their address and what their position was on the subject. Councilman Chris Morris stated that he would like to have a moment to review the most recent email given to the Council before the meeting.

At this time, Mayor Leake invited citizens in attendance to speak before going back to the email submissions.

Mr. Ken Luersen, 6752 Jefferson Street, stated that he would like to have his written statement and petition that he read at the last meeting asking for the speed hump to be reinstalled on Jefferson be part of the record. Town Clerk Kim Henry shared that once the minutes are approved and signed, all letters submitted at the meeting will be included to be part of the permanent record. Mr. Luersen inquired why a letter went out to the whole town to speak on the subject of the speed hump when direction was given at the previous meeting to only send the letter to those on Jefferson Street. He stated he understood that even though everyone is affected by the speed bump, the citizens on Jefferson Street is directly effected.

Bob Weir, 6853 St. Paul Drive, stated that he understands the continuity of operations but given

the precautions that other localities are doing felt that the evenings meeting was one of poor judgment. Mr. Weir also addressed the items on the agenda for the evening's meeting. Mr. Weir gave comments on the budget, the suspension of salaries and the pedestrian project. He stated that Council had no authority to suspend the salaries for the Council or any Board Member for the next budget. He stated that if it is a permanent suspension, the next Council could not re-instate the salaries until the next election in 2022. A short discussion followed.

Councilman Morris moved to approve Resolution 2020-007 Suspending Salaries to the Town of Haymarket Public Bodies as its stated adding to stop in the last paragraph for ending in 2020 and striking the entirety of FY2021. ### **MEMORANDUM**

TO: Honorable Mayor and Town Council FROM: Roberto Gonzalez, Town Treasurer

DATE: May 4, 2020

SUBJECT: Bank Franchise Refund BB&T for 2012, 2013, and 2014

### **BACKGROUND:**

The President of the Treasurer's Association sent an email to all the Treasurer's and Finance Directors to inform them of a potential Bank Franchise tax refund that BB&T had filed with the Department of Taxation for each locality for the years 2012, 2013, and 2014. We notified our Town Attorney on the matter. Treasurers and Finance Directors were totally broadsided by this untimely notification. We, the Town of Haymarket, did not get notified until April 13th 2020. Several Treasurer's and Finance Director's expressed their concerns to the Tax Commissioner of the Commonwealth stating that the localities had no input in the entire process or was even aware of this for them to make an appeal. This refund will place significant burden on locals governments budgets throughout the Commonwealth. The Treasurer's Association of Virginia and local government attorneys reached out to determine the interest liability that may impact the localities involved. Due to this refund going back to 2012, 2013, and 2014, some locality attorney's had discussions on the legality and if there was any opportunity to fight the refund request. We contacted our Town Attorney and work began on the refund matter, along with a few other localities. Unfortunately, our Town Attorney confirmed that we will need to make the payment for the overpaid Franchise Tax revenue to Truist, which now owns BB&T, for the years of 2012, 2013, and 2014. This legal advise has been made to many other localities by their own legal team as well.

The Treasurer's Association was able to share the news that Vice President Robert L. Clarke, Jr., Group Vice President, Corporate Tax of Truist, made the decision to waive all of the interest and penalties associated with the refund to each locality if paid by the deadline date of May 1, 2020. But due to the COVID pandemic we are currently navigating, Business Manager Mr. Coon contacted Mr. Clarke requesting for an extension of the existing May 1, 2020 deadline. Mr. Clarke agreed to extend the deadline of waiving the interest and penalties to the end of our current fiscal year, June 30, 2020.

Below you will find a breakdown on the refund amounts due to BB&T for Franchise Tax:

Locality / Year	Original Taxes Assignable	Amended Taxes Assignable	Refund Due Bank
Town of Haymarket			
2012	\$ 11,874.00	\$ 961.00	\$ 10,913.00
2013	\$ \$ 11,124.00	\$ 1,618.00	\$ 9,506.00
2014	\$ 15,429.00	\$ 3,254.00	\$ 12,175.00
		Refund due to BB&T (Truist)	\$ 32,594.00

Staff worked on exhausting all options on the matter and unfortunately the Town is liable to make this payment back to Truist Corp.

At this time, we will need to ask Council to approve the advertisement to hold a public hearing to appropriate funds to make this payment this fiscal year.

# **Christopher S. Coon Town Business Manager**

### **MEMORANDUM**

TO: Honorable Mayor and Town Council

FROM: Chris Coon, Business Manager

DATE: April 28, 2020

SUBJECT: Real Estate Refund

### **Background:**

At the April 14<sup>th</sup> meeting Town Council discussed issuing Real Estate Refunds from the surplus of the FY19-20 Budget. Again, at the April 21<sup>st</sup> Meeting Town Council directed Town Staff to receive opinions with Town Financial Consultants. After discussions regarding real estate refunds with the consultants the following steps were provided to the following steps to accomplish for a refund:

- a. Determine total dollars you want to refund. Make sure the Town's current cash flow needs can withstand such a payment.
  - i. Consider reduction of expected sales tax for remainder of FY20.
  - ii. Consider reduction of meals tax for remainder of FY20.
  - iii. Other reduced sources of income?
  - iv. If the Town's budget is already going to be severely impacted by reduced revenues, can the Town withstand such a cash outflow?
- b. Determine which tax year to use as a base for refunds, assuming this would be 2019 real estate tax, but not certain.
- c. Decide on cutoff date for collections to base refunds on. For example, I am assuming you would only give rebates/refunds to taxpayers that have actually paid their tax by a certain date?
- d. Determine how to allocate the rebates to the taxpayers. For example, I am assuming you might return it as a percentage of tax, i.e. if your tax rate was \$1.46/\$100 of assessment, you might make the rebate \$.10/\$100 of assessment. This would be roughly one-third and would equate to roughly \$26,000. With some rough calculations using 2019 tax levy as a base, this would result in the following rebates:
  - i. 530 taxpayers would receive between \$0 \$50 rebate, approx. \$17,588 in total
  - ii. 19 taxpayers would receive between \$50 \$100 rebate, approx. \$1,174 in total
  - iii. 13 taxpayers would receive between \$100 \$300 rebate, approx. \$2,600 in total

- iv. 7 taxpayers would receive between \$300 \$1,000 rebate, approx. \$3,524 in total
- v. 1 taxpayer would receive above \$1,000 rebate, approx. \$1,222 in total
- e. Issues and considerations:
  - i. The calculation and refunding of the tax will take a significant amount of administration time
    - 1. Actually, performing the calculations
    - 2. Determining which taxpayers will qualify
    - 3. Locating taxpayers that have moved
    - 4. Preparing and sending the rebate/refund checks
    - 5. Following up to get rebates to appropriate individuals for those that are returned
    - 6. Handling outstanding checks that are never cashed and are ultimately turned over to unclaimed property
    - 7. Processing 1099-G forms to report the rebates/refunds so taxpayers could claim as income, if required
  - ii. How fast could refunds/rebates be issued?
  - iii. Will the resulting refunds be enough to really make a difference for individual taxpayers?
- f. Other Options:
  - i. Would it be more impactful to reduce tax rates for next fiscal year?
  - ii. Would it be more impactful to possibly altar requirements for qualification of tax relief for FY21 so that those taxpayers most in need receive assistance in lieu of an across-the-board rebate or reduction?
- g. All these ideas should be run past the Town's legal advisors to ensure in compliance with current state laws.

### Staff Recommendation:

Due to the substantial logistical hurdles and the fact that 93% of residents will receive less than \$50 refunds, staff recommends not pursuing real estate refunds at this time.

### **Draft Motion:**

1. "I move to provide a Real Estate Refund of \_\_\_\_\_ per \$100 assessed value to those individuals that pay Real Estate Tax to the Town of Haymarket from the surplus of the FY19-20 Budget"

Or,

2. Alternate Motion
