Ms. Lockhart shared that 2 public hearings were held with the Planning Commission. At their October meeting, the Planning Commission forwarded the application to the Town Council with recommendation of approval based on the recent submission after the requested changes were made. After the presentation from Van Metre, Mayor Leake opened the Public Hearing for comment followed by comments from the applicant.

Chuck Carnahan, 6654 Hunting Path Road, stated that he was speaking for himself not as the HOA President for Longstreet Commons. Mr. Carnahan stated that he is in favor of the request. He shared that the representatives from Van Metre came to previous HOA board meetings and listened to the communities concerns and made the appropriate changes to the concerns brought forth.

Dottie Leonard, 14801 Washington Street, stated that she was in favor of the request.

Mayor Leake stated since the Town Council was still receiving comments on the request, the public hearing would remain open until the next meeting in January 2020. Ms. Lockhart stated that the commercial portion in the front does not affect the Special Use application. The representative from Van Metre disclosed that a center for higher learning of young children has interest in obtaining the commercial portion of the property. There were several other questions from the Town Council to the applicant. The Town Council asked for a rendering on the commercial property and how it would look with the commercial building, parking and

sidewalks to the residential portion of the property. The applicant stated that he would have the rendering available for the next meeting.

Ms. Turner stated that at both the Architectural Review Board and Planning Commission meetings that the entrance to the hotel be in Payne Lane as opposed to Fayette Street because of possible traffic back ups. Ms. Turner also stated that if the project from the public hearing comes to fruition, the same would apply to having a designated drop off and pick up location so that Washington Street does not get back up in both directions.

Dottie Leonard, 14801 Washington Street, stated that she feels there are many ways to get in and out of the Town of Haymarket.

Chuck Carnahan, 6654 Hunting Path, stated that he would be sending a letter on behalf of the HOA. He stated that about 6-8 years ago no parking signs were installed on the east side of Hunting Path. He stated that at the time that was part of a fire code requirement. He is requesting that the curb be painted yellow so that there could be further enforcement. He also asked that the staff have the property owner on the west side of Hunting Path do something with the trees so that it is easier to walk, particularly between Longstreet Commons and El Vaquero. He stated that he would love to see street lights on Hunting Path Road and that Long Street Commons HOA may be able to help with that project.

VII. Agenda Items

1. Town Administration Staff Reports

Business Manager Chris Coon asked for any questions from his weekly reports. With no questions, Mr. Coon shared that he would be bringing the Jefferson Street pedestrian project bids to the Finance Committee for approval prior to bringing it to the Town Council to award the contract. He also shared that he reached out to a local architect to possibly serve as a consultant for the Architectural Review Board. Mr. Coon stated that the architect would only come to meetings when needed and would not have any voting rights.

Mayor Leake asked Ms. Lockhart to update the Council on the Christmas and Holiday Celebration event planned for Saturday, December 7th. Ms. Lockhart gave a brief report of all the things planned for the day. Ms. Lockhart also shared that Premier Landscaping would be putting up the wreaths and banners before the event. There was a short discussion on American flags that need to be secured on Washington Street. The staff stated that they would have that addressed.

Councilman Morris asked Mr. Coon if Dominion ever removed the old poles once the new lines were installed a few years back. Mayor Leake answered Mr. Morris' question since Mr. Coon was not on staff at that time. Mr. Coon stated he would follow up with Dominion.

2. Chief of Police Staff Report

Chief Lands asked for any questions on the statistics for the month of November. With no questions, Chief Lands shared that the officers completed some required training for recertifications. He shared that the department is in the applicant process for the vacant officer position. He stated that he anticipates having a new officer on the force and working by the end of December.

Chief Lands also shared that 2 new businesses are coming into the Town of Haymarket.

3. McDonald's/Leaberry Way Closure

Town Planner Emily Lockhart gave the Town Council some background on the subject. She stated that staff has been working with McDonald's to come up with a solution to the problem of having too many vehicles going to the drive thru which causes a back up onto Route 55. She continued to state that they applied for permits to have a second drive thru installed with leaving both entrances open even after the Town Council asked them to close the first entrance closer to Route 55. Ms. Lockhart stated that Mr. Leaberry, owner of the property, has submitted a letter requesting that the Town Council move forward in requiring McDonald's to close the first entrance. Ms. Lockhart also shared information on the easement document stating that anyone partied to the agreement can have, at any time, the first entrance closed. She stated that the Town is partied to that easement. The Town Council asked the Town Attorney for directive. A discussion followed.

Vice Mayor Edwards moved that the Town of Haymarket request that the entrance #1 upon the approval of Food Lion, LLC., its successor or assigns, be closed not later than June 30, 2020. The motion was seconded by Councilman Norris.

RESULT: ADOPTED [UNANIMOUS]
MOVER: Susan Edwards, Vice Mayor
SECONDER: Chris Morris, Councilman

AYES: Edwards, Day, Panthi, Shannon, Morris

ABSENT: Connor Leake

4. ARB - 14881 Washington Street (Pardo House)

Mayor Leake stated that this is a directive request from the Architectural Review Board. Councilman Shannon re-iterated what was discussed in the Work Session by issuing the owner a letter giving her one week to reply with a plan and timeline to correct the issue or to contact the staff to fill out the proper permit applications. A short discussion followed if it would follow on a violation of the Blight Ordinance. Town Attorney Crum stated that it would be a zoning violation not the Blight Ordinance violation. There was a consensus from the Town Council to proceed with a letter of zoning violation.

5. Meals and Transient Occupancy Tax Penalty & Interest
