## TOWN OF HAYMARKET TOWN COUNCIL

REGULAR MEETING ~ MINUTES ~

David Leake, Mayor http://www.townofhaymarket.org/		15000 Washington St Iaymarket, VA 20169
Tuesday, September 3, 2013	7:00 PM	Council Chambers

A Regular Meeting of the Mayor & Council of the Town of Haymarket, VA, was held this evening in the Board Room, Commencing at 7:00 PM

Mayor David Leake called the meeting to order.

### 1. Call to Order

Councilman Steve Aitken: Present, Councilwoman Rebecca Bare: Present, Councilwoman Katherine Harnest: Present, Councilwoman Mary-Lou Scarbrough: Present, Councilman Milt Kenworthy: Present, Vice Mayor Jay Tobias: Present, Mayor David Leake: Present.

## 2. Pledge of Allegiance

## 3. Moment of Silence - Mrs. Hilda Powell

## 4. Citizen's Time

#### Pam Stutz - 6720 Jefferson Street

Ms. Stutz brings to Council's attention that the Food Pantry was just voted best charitable organization in the Haymarket Lifestyles magazine and reads aloud the magazine's write up. She notes that the Food Pantry beat out the American Red Cross, Rainbow Therapeutic Riding Center. So keep in mind that the food pantry is a well recognized charity in Haymarket and she asks that the Council consider their letter of intent with graciousness and politeness this evening.

#### Michael Snyder - 6797 Saint Paul Drive

Mr. Snyder recently filed a request to build a fence with the Town that was denied. The ARB did amend his application to approve it as-built. However, his HOA is trying to sue him for compliance and make him build the fence to the property line. His property line extends almost to the sidewalk on Washington Street. He is not sure the HOA can make him do this since the Town has already ruled on the matter. He would like some help from the Council on this.

#### Bob Weir - 6853 Saint Paul Drive

He noticed the Town election has come back. He sees that VML is here tonight to offer some advise on the issue of moving the Town elections to November. He takes what VML says with a grain of salt. He does not feel VML is a friend of the Town and never has been, you can look to VML's lobbying in support of the transportation tax. He feels that opening up the Charter to review and amendment by the General Assembly is probably not a good idea. It would open to amendment at the sub-committee, committee and the floor levels and can be amended at the insistence of a particular legislator who is either influenced by the Town, resident, or other entity such as Prince William County. A change of that magnitude is something you should probably bring to the residents as a referendum item.

Secondly tonight, the six council members, this is not addressed to you. Mr. Mayor, you've shown quite the propensity to file, what he would suggest are trumped up fabricated complaints with local and state law enforcement against Town staff, Town businesses, Town Council members and in doing so he believes the Mayor has created a number of circumstances, potential liability for the Town, black-eye for the Town, negative impacts on businesses in what is supposed to be a business friendly Town. He doesn't see the Mayor's pattern of behavior changing. He offers that if this behavior does continue, to please try and pick on someone with an "A" type personality and not do it in the local watering hole. He suggests that the Mayor obtain a minimal grasp of the law prior to making the accusations.

#### Ralph Ring -

Apparently the Food Pantry has not kept up to its end of the lease or has let the building deteriorate. As a

2.1.a

Regular Meeting	Minutes	September 3, 2013
part. He feels that the Co food pantry. He doesn't o the building should deterio	els that is inappropriate behavior both on the Town's pouncil should do something about its unruly teenager bject to giving them a lease for a dollar per year. The rate with the reported 400 volunteers. This is not a wi sure they make improvements to the building and	in the basement, ie, the ere should be no reason ise use of our tax dollars.

## 5. Minutes Acceptance

## 7. Agenda Items

#### A. Proclaim September 2013 Blood Cancer Awareness Month & September 15 as Lymphoma Awareness Day Joe Pasanello, Resident - Haymarket Station

Councilwoman Harnest reads aloud a proclamation recognizing September 2013 as Blood Cancer Awareness Month.

WHEREAS, lymphoma is the most common form of blood cancer and the third most common childhood cancer; and

WHEREAS, more than 80,000 new cases of lymphoma are diagnosed each year in the United States, including 1,600 in the Commonwealth of Virginia of which approximately 85 will occur in Prince William County; and

WHEREAS, a cure for lymphoma can only be realized through advanced cancer research; and

WHEREAS, awareness and education are powerful tools in the race to find a cure for lymphoma; and

WHEREAS, the health and vitality of the people of the Commonwealth of Virginia, Prince

2.1.a

William County, and the Town of Haymarket are significantly enhanced by local efforts to increase communication and education pertaining to blood cancers; and

WHEREAS, Blood Cancer Awareness in September helps to raise general awareness of the disease and provides hope to all those affected by a lymphoma diagnosis;

NOW, THEREFORE, BE IT RESOLVED that the Haymarket Town Council does hereby proclaim September 2013 as Blood Cancer Awareness Month, and urges all citizens to support the efforts and activities of the National Capital Chapter of the Lymphoma Research Foundation to bring awareness and education in the race to finding a cure for blood cancer in September and throughout the year.

#### B. November Town Elections Pros and Cons - Mary Jo Fields, VML

Ms. Mary Jo Fields is here this evening to provide the Council with pros and cons regarding moving Town elections from May to November.

#### C. VML HEAL Program - Marissa Jones

Ms. Marissa Jones is here this evening to talk about the Healthy Eating/Active Living (H.E.A.L.) Program.

#### D. PACE Boundary Line Adjustment - Marchant Schneider

WHEREAS, QBE Global, LLC is the contract purchaser on the property owned by the Prince William County School Division, known as the PACE West School ("Property"), GPIN 7397-19-1734; and

WHEREAS, the Town boundary of the Town of Haymarket bifurcates the PACE West School building resulting in the majority of the Property, including recreation fields utilized by the Prince William County Department of Parks & Recreation, being located within the Town boundary; and

WHEREAS, QBE Global, LLC by letter dated May 3, 2013, petitioned the Haymarket Town Council requesting support of QBE Global's efforts to redevelop the Property and allow for continued use of the onsite recreation fields; specifically, support for a boundary line adjustment to include the entire Property within the Town of Haymarket's corporate limits; and

WHEREAS, the proposed boundary line adjustment would cause approximately 2.0783 acres of Property located within Prince William County to be added to the Town of Haymarket; and

WHEREAS, in accordance with Code of Virginia Section 15.2-3106, *et seq.*, two localities may, by agreement, relocate a common boundary line; and

WHEREAS, the Haymarket Town Council, by letter dated June 4, 2013, expressed to the Prince William Board of County Supervisors its support and interest in initiating a boundary line adjustment based on QBE Global's filing and pursuit of a rezoning of the PACE West School property from a residential district to a business district; and

WHEREAS, on June 7, 2013, QBE Global, LLC, and Haymarket Properties Group, LLC, filed a rezoning application and thereafter the requisite public hearings were held by the Town Council and Planning Commission; and

WHEREAS, on June 27, 2013, the Town Council conducted a public hearing on the Boundary Line Adjustment Agreement after advertisement of its intention to do so, together with a descriptive summary of the proposed agreement in the Gainesville Times, a newspaper of general circulation in the Town and County; and

WHEREAS, on July 1, 2013, the Town Council, by formal resolution, stated its interest in entering into an agreement with Prince William County authorizing adjustments to the corporate boundary line of the Town of Haymarket and requested that the Prince William Board of County Supervisors authorize a public hearing to consider the same agreement in the form of Exhibit A attached hereto; and

WHEREAS, on August 5, 2013, the Town Council approved a rezoning of the PACE West School property from a residential district to a business district effective upon the execution of an order by the Circuit Court approving a Boundary Line Adjustment Agreement bringing the entirety of the Property within the Town corporate boundary; and

WHEREAS, on August 6, 2013, the Prince William Board of County Supervisors conducted a public hearing and took action to approve and execute an agreement between Prince William County and the Town of Haymarket for a boundary line adjustment in the form of Exhibit A attached hereto, contingent upon execution of a lease between the Board of County Supervisors and the contract purchaser of the PACE West School for use of the ballfields on the Property; and

WHEREAS, the Haymarket Town Council has determined that QBE Global's proposal is consistent with the Town's land use vision and would be a mutually beneficial arrangement for both the County and the Town; and

WHEREAS, the proposed boundary line adjustment would eliminate the cost of duplicative development review and permitting by both jurisdictions and would expedite QBE Global's effort to repurpose the Pace West School building and Property for benefit of the community; and

WHEREAS, a proposed agreement in the form attached hereto as Exhibit A has been drafted by staff for the Town of Haymarket, addressing the parcel lying partially in the Town and partially within the County;

NOW, THEREFORE, BE IT RESOLVED by the Council of the Town of Haymarket, meeting in regular session this 3<sup>rd</sup> day of September, 2013, that the Council does hereby approve an agreement to adjust a boundary line between Prince William County and the Town of Haymarket, as approved in final form by the Town Attorney; and

BE IT FURTHER RESOLVED that the Mayor is authorized to endorse, on behalf of the Town, an agreement with Prince William County substantially in the form of Exhibit A attached hereto; and

BE IT FINALLY RESOLVED that the Town directs the Town Attorney to file any necessary documents and petitions with the Prince William County Circuit Court to effect the boundary line adjustment

E. Haymarket Regional Food Pantry Lease

#### **RESOLUTION 20130903 - 2**

#### RESOLUTION OF THE TOWN OF HAYMARKET TOWN COUNCIL TO ENTER INTO LEASE WITH HAYMARKET REGIONAL FOOD PANTRY

**WHEREAS**, the Charter of the Town of Haymarket expressly provides the Town with power to provide for the "preservation of the general health of the inhabitants" of the Town, to include the power to "provide for the care, support and maintenance of children and of sick, aged, insane, poor persons and Paupers", and further, to "provide and maintain, either within or without the town, charitable .... Institutions"; and

**WHEREAS**, the Haymarket Regional Food Pantry as a charitable institution is currently operating in and around the Town and has its mission to eliminate hunger by acquiring and distributing food to those who seek aid and by educating, empowering and enlightening the community about the issues of hunger and nutrition; and

**WHEREAS**, the Haymarket Regional food Pantry has requested that it be allowed to lease from the Town certain premises owned by the Town and known as 14740 Washington Street, Haymarket, Virginia 20169 (the "Property") for a period of three (3) years at the rate of one dollar per annum, all in accordance with the terms of that certain non-binding letter of intent presented by it to the Town dated August 25th, 2013 and attached hereto and incorporated herein by reference (the "LOI"); and

**WHEREAS**, the Town finds that the mission of the Haymarket Regional Food Pantry is compatible with the Town's Charter; and

**WHEREAS**, the Town further finds that the entering into a lease in accordance with the terms of the LOI with the Haymarket Regional Food Pantry will: (I) allow the Town to meet the various social, charitable and public needs of its citizens; (ii) help to provide the less fortunate citizens of the Town with the opportunity to meet the nutritional needs of their family and children; and (iii) further the general health, welfare and safety of the Town and that of its citizens.

**NOW, THEREFORE, BE IT RESOLVED** this 3rd day of September, 2013, that the Haymarket Town Council does hereby authorize:

1. The Town Manager to negotiate a lease with the Haymarket Regional Food Pantry for the Property, all in general conformance with the terms of the Letter of Intent; and

2. Upon review and approval of the lease as to form by the Town Attorney, to authorize the Mayor or Town Manager to thereafter execute the lease on behalf of the Town.

3. The Town Attorney should work with the Town Manager to include language that 1) addresses the tenant will perform light maintenance and 2) that water be functional in the building no later than July 1, 2013. If there is to be a breach of the lease the matter be brought back before Council.

## TOWN OF HAYMARKET TOWN COUNCIL

SPECIAL MEETING ~ MINUTES ~

David Leake, Mayor http://www.townofhaymarket.org/		15000 Washington St Haymarket, VA 20169		
Monday, September 16, 2013	7:00 PM	Council Chambers		
A Special Meeting of the Mayor & Council of the Town of Haymarket, VA, was held this evening in the Board Room, Commencing at 7:00 PM				

Mayor David Leake called the meeting to order.

## 1. Call to Order

## 2. Roll Call

Councilman Steve Aitken: Present, Councilwoman Rebecca Bare: Present, Councilwoman Katherine Harnest: Present, Councilwoman Mary-Lou Scarbrough: Present, Councilman Milt Kenworthy: Present, Vice Mayor Jay Tobias: Present, Mayor David Leake: Present.

## 3. Legal Opinion

The Town's legal counsel, Martin Crim, was presented with a question prior to the meeting of adding an agenda item this evening. The Town's adopted "Rules of Procedure" require two things: 1) All Council must be present; we do have that this evening; and 2) If the Council determines in good faith that it is essential to discuss or act on such additional item immediately. Should these two criteria be met, a majority vote of Council is needed to add the item.

Tonight's request was to add the ATTIVA event's contract addendum. The addendum proposes to extend their contract for one additional year. It is Mr. Crim's understanding that the reason for adding the ATTIVA events contract extension this evening is so that ATTIVA can approach potential sponsorship for 2014 on Haymarket Day this coming Saturday. The contract ends December 31, 2013. The idea behind this provision of the Rules of Procedure is so that the public has sufficient notice when possible. Its a balance the public's right to know vs. The need for the action.

The Mayor recommends that this item be added to the next Council agenda so that the public is properly notified in advance of the potential action.

## 4. Closed Session

#### A. Closed Session

Motion to enter into closed session pursuant to VA § 2.2-3711 A(1) this evening for the following purpose:

Discussion, consideration, or interviews of prospective candidates for employment; assignment, appointment, promotion, performance, demotion, salaries, disciplining, or resignation of specific public officers, appointees, or employees of any public body; specifically the **Treasurer position** 

RESULT:	ADOPTED [UNANIMOUS]

## Gainesville-Haymarket Firehouse Time Capsule

Thursday, September 12<sup>th</sup> with approximately 35 in attendance, the Gainesville-Haymarket Firehouse Time Capsule was reviled. Housed in a cornerstone of the firehouse building for nearly 67 years, it was removed and the contents reviled. The contents included; 7 coins (2 dimes, 2 nickels, and, 3 pennies), a newspaper article from the Manassas Messenger dated, October 16<sup>th</sup>, 1946 and a sheet of paper (disintegrated) that is believed to have listed the names of the 25 members of the volunteer fire department staff, Town Council members, and the names of all the Town's residents under the age of 15. The time capsule and its contents are currently on exhibit at the Museum.

## Haymarket Day - 2013

Saturday, September 21<sup>st</sup> marked our 25<sup>th</sup> Annual Haymarket Day. The Museum welcomed over 300 visitors that day. Most of who were first time visitors. Patrons young and old enjoyed the Time Capsule exhibit as well as seeing the old clerk's desk with the Royal typewriter.

Page 1

TO:Town of Haymarket Town CouncilSUBJECT:Engineer's ReportDATE:10/07/13

#### **Enhancement Project**

- The Town and the Contractor has meet with Haymarket Baptist Church Preschool and a concerned citizen to go over the Enhancement Project, hear their concerns and discuss how to construct project while minimizing impacts. Based on the meeting with the Preschool, the Contractor is going to try and install the drainage that cuts diagonally across the Haymarket Baptist Church parking lot October 17-19, when the preschool is not in session.
- The Contractor has been submitting required documentation to the VDOT Inspectors and issued their Notice To Proceed for Monday, September 30. Over the next couple of weeks, the staging area will be set up, construction surveying will begin, and Erosion & Sedimentation controls set in place. Actual construction activities (drainage at the Haymarket Baptist Church) are expected to begin after October 7.

#### **Plan Review**

• Robinson's Paradise Re-zoning: Re-zoning packet has been received and is under review.

#### Alexandra's Keep Drainage Revision

• The contractor has performed some of the grading along the back and sides of the lots. The contractor has installed the underdrain pipe under the driveways. The final activities for the Drainage Revision are to repave the driveways and finalize the grading directly adjacent to the buildings.

TO:Town of Haymarket Town CouncilSUBJECT:Town Manager's ReportDATE:10/07/13

#### Food Pantry:

- We have received the draft lease from our Attorney's office.
- The food pantry has reviewed the draft lease and has presented some questions/ clarification of the legal language in the lease.
- Rick Nishanian is reviewing the comments.
- I anticipate wrapping up the lease renewal very soon.

#### Voting Changes:

- Last month, Mary Jo Fields from VML presented the pros and cons about changing our election dates.
- I would recommend at this time that I respond back to the Prince William Electoral Board that we are going to proceed forward with our May election for 2014.
- I would further recommend that you all set aside some time in an upcoming work session to discuss the potential for a change, talk about the process and give consideration rather you change or not, about potentially changing to 4 year staggered terms and even consider term limits for all elected officials.
- Once this discussion occurs, this would allow you to present a referendum on the May election ballot.

#### HEAL (Healthy Eating - Active Living): Partnership with VML

• The revised resolution and recommendation is within the action agenda.

#### **Treasurer Position:**

- The position has been offered to selected candidate and they have accepted the position.
- We are working out the final details and I will update accordingly.
- It is my hope we can introduce the candidate at the regular council meeting.

#### Attiva Contract Extension:

• To be discussed in closed session.

#### Audit Update:

- Robinson, Farmer, & Cox have submitted the draft audit report for your review.
- I have included the draft report in your agenda packet.

2.1.a

#### Haymarket Day Wrap Up:

• I have included a general report provided by Attiva/ Spend the Day in Haymarket.

#### Quiet Zone Update:

- I have made contact with the property owners on either side of the railroad track at private crossing on Kapp Valley Way.
- Both property owners have expressed a safety concern.
- I will be setting up a field visit with all of the national organizations as well as the Quiet Zone committee, and local property owners involved to discuss the Quiet Zone and the sign location and the private crossing within the zone.
- Once this meeting takes place we would need to purchase and install the proper signs acknowledging the Quiet Zone at each crossing.
- At that point, we declare our Quiet Zone and would need to have a public notice/ awareness campaign for residents and the Haymarket/Gainesville area.

#### DR Horton Inspection Issues:

- I do not think that this will happen, but I wanted you all to be aware of the issues just in case a representative from DR Horton does come to the Council meeting on the 7<sup>th</sup>.
- DR Horton has expressed concerns about our permitting and building inspections process, more appropriately dealing with our appointed Building Official, SCE and namely our Inspector, Dan Lyons.
- The company felt that they were being unfairly treated based upon a stop work order issued for Lot 4. The stop work order was issued out of multiple requests for a complete set of plans that would show the various types of houses being constructed within the subdivision.
- The plans submitted to the Town originally did not include the full set of plans and building permits were issued from the Town.
- Essentially, our inspector did not feel that he accurately perform an inspection without the correct plans, which once submitted, the plans would need to be reviewed by a structural engineer through SCE to verify accuracy.
- There is a code section in the International Building Code that this discrepancy alludes to and this was used as a determination for the course of action by our inspector.
- There have been numerous issues between both parties for some time now; this is the most recent issue that seemed to be escalating.
- The plans were submitted and reviewed and both parties seem to be working together at this time. There are only two houses that are under construction in the development and I am working with both the project manager and with our inspector to keep the process moving forward.
- If you would like additional information, we can have our inspector come to a special meeting or to our next Council Meeting if you would like further clarification.

#### VML Conference:

• I will be attending the VML Conference on Monday, October 14 &15 in Arlington, VA

#### HGBA (Haymarket Gainesville Business Association):

 I will be speaking at the next meeting. The meeting is being hosted by Fauquier Bank on October 15<sup>th</sup>. 2.1.a

Page 3

TO:Town of Haymarket Town CouncilSUBJECT:Planner's ReportDATE:10/07/13

- <u>Ice Rink Expansion</u>. The Planning Commission reviewed the preliminary site plan at its September meeting and will continue its review in October. The applicant has offered an alternate standard specific to ice rinks which is less than the Town standard of 1 space / 200 sq. ft.
- <u>Haymarket Self Storage</u>. The owner submitted a preliminary site on September 27 for the outdoor storage area. Staff has 30 days to review the materials and provide comment.
- <u>Sheetz</u>. Sheetz is preparing to submit a site plan and special use permit for the reconstruction of the building and gas pump area. They also intend to submit a Zoning Text Amendment to propose additional signage for station pumps and canopy. No timeline has been offered regarding when a formal site plan is to be submitted.
- <u>Robinsons Paradise Rezoning</u>. A resolution of intent to amend is included in the Council's October packet. The application proposes to rezone the approved 16 lots single-family subdivision from R-1 to R-2 to permit up to 28 small lot single-family homes.

2.1.a

September 27, 2013

The Honorable David Leake, Mayor & the Honorable Council Members of The Town of Haymarket, 15000 Washington Street, Suite 100 Haymarket, Virginia 20168

# Re: Monthly Building Code Compliance Inspection Report at The Town of Haymarket, Virginia

Mr. Leake,

In accordance with your request, Soil Consultants Engineering Inc. (SCE) performed building code compliance inspections for the Town of Haymarket. The information contained in this report covers amounts and results of SCE's inspections from the period of August 24 thru September 27, 2013. A synopsis of the construction inspections is as follows:

31
3
0
0
5
3

The inspections above resulted with the issuance of two (2) Certificates of Occupancies. Two (2) Temporary Occupancy permits were also approved. One (1) property condition inspection was conducted during this same time period.

During this time frame, plan submissions consisted of:

Building	9
Electrical	6
Mechanical	3
Plumbing	4
Fire Alarm	2

Four (4) of the submitted plans were rejected as the "design professional" failed to submit full and complete information and/or drawings which would allow an accurate review process.

One (1) E&S review was conducted during this time frame. My findings indicated that, yet again, DR Horton and their subcontractor were not following their prescribed and approved submissions and that they were using non-compliant materials. When approached about the issue, their subcontractor attempted to employee threats

and intimidation tactics. I have also been monitoring DR Horton's removal and replacement of a stone retaining wall to which they originally constructed on the property of another.

I conducted two (2) Property Reviews at the request of the business's owners/tenants, preparing reports for these persons and coping the finding to the ToH. As a result of these reports, one (1) Certificate of Occupancy was issued and the other has resulted in the issuance of building, electrical, mechanical and plumbing permits to which a new business will open in the foreseeable future within the town. Prospective contractors have already been in contact with myself concerning my findings.

We thank you for the opportunity to be of service. If you should have any questions regarding this letter, please do not hesitate to contact us.

Respectfully Submitted,

Dan Lyons, Building Inspector

#### INDEPENDENT AUDITORS' REPORT

To the Honorable Members of the Town Council Town of Haymarket, Virginia

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, of the Town of Haymarket, Virginia, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *Specifications for Audits of Counties*, *Cities*, *and Towns*, issued by the Auditor of Public Accounts of the Commonwealth of Virginia. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Unmodified Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the Town of Haymarket, Virginia, as of June 30, 2013, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Emphasis of Matter

As described in Note 1 to the financial statements, in 2013, the Town adopted new accounting guidance, GASB Statement Nos. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position* and 65, *Items Previously Reported as Assets and Liabilities*. Our opinion is not modified with respect to this matter.

#### Other Matters

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3-7, budgetary comparison information, and schedules of pension funding progress be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The budgetary comparison information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 24, 2013, on our consideration of the Town of Haymarket, Virginia's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town of Haymarket, Virginia's internal control over financial reporting and compliance.

Charlottesville, Virginia September 24, 2013

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Town of Haymarket, Virginia we offer readers of the Town's financial statements this narrative overview and analysis of the financial activities of the Town for the fiscal year ended June 30, 2013.

#### FINANCIAL HIGHLIGHTS

- The assets of the Town exceeded its liabilities at the close of the most recent fiscal year by \$4,397,164 (net position). Of this amount \$1,968,477 (unrestricted net position) may be used to meet the government's ongoing obligations to citizens and creditors.
- As of the close of the current fiscal year; the Town's general fund reported ending fund balance of \$1,993,239, an increase of \$178,519 in comparison with the prior year. Approximately ninety-seven percent of this total amount, \$1,933,239 is available for spending at the Town's discretion (unassigned fund balance).
- The Town's total debt decreased \$153,341 during the current fiscal year.

#### Overview of the Financial Statements

This discussion and analysis are intended to serve as an introduction to the Town's basic financial statements. The Town's basic financial statements comprise three components:

- Government-wide financial statements,
- Fund financial statements, and
- Notes to the financial statements.

This report also contains other supplementary information in addition to the basic financial statements themselves.

<u>Government-wide financial statements</u> - The Government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the Town's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The statement of activities presents information showing how the Town's nets assets changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in the statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

#### Overview of the Financial Statements: (Continued)

Both of the government-wide financial statements distinguish functions of the Town that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the Town include general government administration, public safety, public works, cultural, planning and community development.

<u>Fund financial statements</u> - A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Haymarket, Virginia, like other local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Town can be divided into two categories - the governmental funds and proprietary funds.

<u>Governmental funds</u> - *Governmental funds* are used to account for essentially the same functions reported as Governmental activities in the government-wide financial statements. However, unlike the governmentwide financial statement, governmental fund financial statement focus on near-term inflows and outflows of spendable resources, as well as on balance of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the Town's near-term financing decisions. Both the governmental fund balance sheet and the governmental statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The Town maintains one individual governmental fund - the General Fund.

The Town adopts an annual appropriated budget for its General Fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

#### Overview of the Financial Statements: (Continued)

<u>Notes to the financial statements</u> - The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

<u>Other information</u> - In addition to the basic financial statement and accompanying notes, this report also presents certain required supplementary information for budgetary comparison schedules and presentation of combining financial statements for the discretely presented component units.

#### **Government-wide Financial Analysis**

As noted earlier, net position may serve over time as a useful indicator of a Town's financial position. In the case of the Town, assets exceeded liabilities by \$4,397,164 at the close of the most recent fiscal year.

		Governmental							
		Activities							
	_	2013	2012						
	_								
Current and other assets	\$	2,095,733	\$	1,949,082

Unrestricted	_	1,968,477		1,790,780					
Total net position	Ś	4,397,164	ς	3,919,014					
rotat net position	Ý	,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,	- ~ _	3,717,014					

#### Town of Haymarket, Virginia's, Net Position

A large part of the Town's net position, 2,428,687 or (55%) reflects its investment in capital assets (e.g., land, buildings and improvements, infrastructure, machinery, and equipment), less any related debt used to acquire those assets that is still outstanding. The Town uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

#### Government-wide Financial Analysis: (Continued)

<u>Governmental Activities</u> - Governmental activities increased the Town's net position by \$478,150. Key elements of these changes are as follows:

		Governmental Activities						
	_	2013	2012

Town of Haymarket, Virginia's Changes in Net Position For the Years Ended June 30, 2013 and 2012

#### Financial Analysis of the Town's Funds

As noted earlier, the Town used fund accounting to ensure and demonstrate compliance with financerelated legal requirements.

<u>Governmental Funds</u> - The focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unreserved fund balance may serve as a useful measure of a Town's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the Town's governmental funds reported combined ending fund balances of \$1,993,239 an increase of \$178,519 in comparison with the prior year. A large part of this total amount, \$1,933,239 constitutes unassigned fund balance, which is available for spending at the Town's discretion.

The general fund is the primary operating fund of the Town. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance totals \$1,933,239 at year end.

#### General Fund Budgetary Highlights

The Town's General Fund had \$2,472,169 in revenues during the year, which was \$464,388 less than budgeted (reference Exhibit 8). The Town's General Fund expended \$2,293,650 during the year, which was \$840,715 less than budgeted (reference Exhibit 8).

#### Capital Asset and Debt Administration

<u>Capital assets</u> - The Town's investment in capital assets for its governmental funds as of June 30, 2013 totals \$4,257,472 (net of accumulated depreciation). This investment in capital assets includes land, construction in progress, buildings and improvements, infrastructure and machinery and equipment. The Town's investment in governmental capital assets for the current fiscal year compared to the prior year total of \$4,110,360 results in an increase of \$147,112. This increase is due primarily to current year additions exceeding current year depreciation expense.

Additional information on the Town's capital assets can be found in the footnotes to these financial statements.

#### <u>Debt</u>

During the year the Town's debt decreased \$153,341 as it repaid principal on general obligation debt in the General Fund, (\$132,805). Annual requirements to amortize all long-term debt and related interest and other information relative to the Town's debt can be found in the notes to the financial statements.

#### Contact The Town's Financial Management

This financial report is designed to provide a general overview of the Town's finances for all of those with an interest in the Town's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Town of Haymarket, 15000 Washington Street, Haymarket, Virginia 20169.

Notes to Financial Statements As of June 30, 2013

#### NOTE 1-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Town of Haymarket, located in Prince William County, Virginia, approximately 35 miles west of Washington, D.C. was initially chartered in 2499 and later incorporated in 1882. The town has a population of approximately 1,850 and a land area of approximately 372 acres.

The Town is governed under the Council-Manager form of government. The Town government engages in wide ranges of municipal services including general government administration, public safety, public works, and cultural events. Judicial administration, education, fire, library, health and welfare services are provided by Prince William County.

The financial statements of the Town of Haymarket, Virginia have been prepared in conformity with specifications promulgated by the Auditor of Public Accounts (APA) of the Commonwealth of Virginia, and the accounting principles generally accepted in the United States as specified by the Governmental Accounting Standards Board. The more significant of the government's accounting policies are described below.

#### A. Financial Reporting Entity

<u>Management's Discussion and Analysis</u> - GASB Statement No. 34 requires the financial statements be accompanied by a narrative introduction and analytical overview of the government's financial activities in the form of "Management's Discussion and Analysis" (MD&A).

<u>Government-Wide Financial Statements</u>: The reporting model includes financial statements prepared using full accrual accounting for all of the government's activities. This approach includes not just current assets and liabilities (such as cash and accounts payable) but also capital assets and long-term liabilities (such as buildings and infrastructure, including bridges and roads, and general obligation debt). Accrual accounting also reports all of the revenues and cost of providing services each year, not just those received or paid in the current year or soon thereafter.

<u>Statement of Net Position</u>: The Statement of Net Position is designed to display the financial position of the primary government (government and business-type activities). Governments report all capital assets, including infrastructure, in the government-wide Statement of Net Position and report depreciation expense - the cost of "using up" capital assets - in the Statement of Activities. The net position of a government will be broken down into three categories: 1) invested in capital assets, net of related debt; 2) restricted; and 3) unrestricted.

<u>Statement of Activities</u>: The government-wide Statement of Activities reports expenses and revenues in a format that focuses on the cost of each of the government's functions. The expenses of individual functions is compared to the revenues generated directly by the function (for instance, through user charges or intergovernmental grants).

Separate financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### A. Financial Reporting Entity: (Continued)

<u>Budgetary Comparison Schedules</u>: Demonstrating compliance with the adopted budget is an important component of a government's accountability to the public. Many citizens participate in the process of establishing the annual operating budgets of state and local governments, and have a keen interest in following the actual financial progress of their governments over the course of the year. The Town and many other governments revise their original budgets over the course of the year for a variety of reasons. The budgetary comparison schedules present the government's original budget as well as a current comparison of final budget and actual results for its major funds.

Accounting principles generally accepted in the United States require financial statements to present the primary government and its component units, entities for which the government is considered to be financially accountable. Blended component units, although legally separate entities, are, in substance, part of the government's operations and so data from these units are combined with data of the primary government. The Town has no component units that meet the requirements for blending. Discretely presented component units, on the other hand, are reported in a separate column in the government-wide statements to emphasize that they are legally separate from the primary government. The Town does not have any discretely presented component units.

#### B. Government-Wide and Fund Financial Statements

The basic financial statements include both government-wide (based on the Town as a whole) and fund financial statements. The focus is on both the Town as a whole and the fund financial statements, including the major individual funds of the governmental and business-type categories, as well as the fiduciary funds, (by category) and the component units, if applicable. Both the government-wide and fund financial statements (within the basic financial statements) categorize primary activities as either governmental or business-type. In the government-wide Statement of Net Position, both the governmental and business-type activities columns (a) are presented on a consolidated basis by column, and (b) are reflected, on a full accrual, economic resource basis, which incorporates long-term assets and receivables as well as long-term debt and obligations. Each presentation provides valuable information that can be analyzed and compared (between years and between governments) to enhance the usefulness of the information. The Town generally first uses restricted assets for expenses incurred for which both restricted and unrestricted assets are available. The Town may defer the use of restricted assets based on a review of the specific transaction. The government-wide Statement of Activities reflects both the gross and net cost per functional category (public safety, public works, community development, etc.) that are otherwise being supported by general government revenues (property, sales and use taxes, certain intergovernmental revenues, fines, permits and charges, etc.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, operating and capital grants, and contributions.

Packet Pg. 56

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### B. <u>Government-Wide and Fund Financial Statements: (Continued)</u>

The program revenues must be directly associated with the function (public safety, public works, community development, etc.) or a business-type activity. Program revenues include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported as general revenues. The Town does not allocate indirect expenses. The operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants. Internal service charges, if applicable, are eliminated and the net income or loss from internal service activities are allocated to the various functional expense categories based on the internal charges to each function.

In the fund financial statements, financial transactions and accounts of the Town are organized on the basis of funds. The operation of each fund is considered to be an independent fiscal and separate accounting entity, with a self-balancing set of accounts recording cash and/or other financial resources together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The fund statements are presented on a current financial resource and modified accrual basis of accounting. This is the manner in which these funds are normally budgeted. Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the government-wide statement's governmental column, a reconciliation is presented, which briefly explains the adjustments necessary to reconcile the fund financial statements to the governmental column of the government-wide financial statement.

Proprietary fund operating revenues consist of charges for services and related revenues. Nonoperating revenues consist of contributions, grants, investment earnings and other revenues not directly derived from the providing of services.

The following is a brief description of the specific funds used by the Town in FY 2013.

1. *Governmental Funds* - Governmental Funds account for the expendable financial resources, other than those accounted for in Proprietary and Fiduciary Funds. The Governmental Funds utilize the modified accrual basis of accounting where the measurement focus is upon determination of financial position and changes in financial position, rather than upon net income determination as would apply to a commercial enterprise. The individual Governmental Fund is:

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### B. Government-Wide and Fund Financial Statements: (Continued)

*General Fund* - The General Fund is the primary operating fund of the Town. This fund is used to account for and report all financial resources except those required to be accounted for and reported in another fund. Revenues are derived primarily from property and other local taxes, state and federal distributions, licenses, permits, charges for service and interest income. The General Fund is considered a major fund for reporting purposes.

#### C. Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All Governmental Funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

All proprietary funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the balance sheet. Fund equity (i.e., net total assets) is segregated into contributed capital and retained earnings components. Proprietary fund-type operating statements present increases (e.g., revenues) and decreases (e.g., expenses) in net total assets.

The government reports deferred revenue on its combined balance sheet. Deferred revenues arise when potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period. Deferred revenues also arise when resources are received by the government before it has a legal claim to them, as when grant monies are received prior to the incurring of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the government has a legal claim to the resources, the liability for deferred revenue is removed from the combined balance sheet and revenue is recognized.

1. *Governmental Funds* - Governmental funds utilize the modified accrual basis of accounting under which revenues and related assets are recorded when measurable and available to finance operations during the year. Accordingly, real and personal property taxes are recorded as revenues and receivables when billed, net of allowances for uncollectible amounts, except that property taxes not collected within 45 days after year-end are reflected as deferred revenues. Sales and utility taxes, which are collected by the State or utilities and subsequently remitted to the Town, are recognized as revenues and receivables upon collection by the State or utility, which is generally in the month preceding receipt by the Town.

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### C. Basis of Accounting: (Continued)

Licenses, permits, fines and rents are recorded as revenues when received. Intergovernmental revenues, consisting primarily of State and other grants for the purpose of funding specific expenditures, are recognized when measurable and available or at the time of the specific expenditure.

Expenditures, other than interest on long-term debt, are recorded as the related fund liabilities are incurred. Principal and interest on long-term debt is recognized when due except for amounts due on July 1, which are accrued.

2. Proprietary Funds - The accrual basis of accounting is used for the Enterprise Fund. Under the accrual method, revenues are recognized in the accounting period in which they are earned, while expenses are recognized in the accounting period in which the related liability is incurred.

#### D. Budgets and Budgetary Accounting

The following procedures are used by the Town in establishing the budgetary data reflected in the financial statements:

- 1. Prior to May 1, the Town Manager submits to the Town Council a proposed operating and capital budget for the fiscal year commencing the following July 1. The operating and capital budget includes proposed expenditures and the means of financing them.
- 2. Public hearings are conducted to obtain citizen comments.
- 3. Prior to June 30, the budget is legally enacted through passage of an Appropriations Resolution.
- 4. The Appropriations Resolution places legal restrictions on expenditures at the department or category level. The appropriation for each department or category can be revised only by the Town Council. The Town Administrator is authorized to transfer budgeted amounts within departments.
- 5. Formal budgetary integration is employed as a management control device during the year for all funds.
- 6. All budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP).
- 7. Appropriations lapse on June 30, for all Town funds unless they are carried forward by a resolution of Town Council.
- 8. All budgetary data presented in the accompanying financial statements reflect budget revisions as of June 30.

#### E. Cash and Cash Equivalents

For purposes of cash flows, cash and cash equivalents include all cash on hand and in banks, certificates of deposit, and highly liquid investments with maturities of three months or less.

#### F. Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### F. Receivables and Payables: (Continued)

outstanding between the governmental activities and business-type are reported in the government-wide financial statements as "internal balances."

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

#### G. Allowance for Uncollectible Accounts

The Town calculates its allowance for uncollectible accounts using historical collection data and, in certain cases, specific account analysis. The allowance amounted to approximately \$87,572 at June 30, 2013 and is comprised solely of general and capital improvement receivables.

#### H. Capital Assets

Capital outlays are recorded as expenditures of the governmental funds of the Town and as assets in the government-wide financial statements.

Property, plant and equipment purchased are stated at cost or estimated cost. Donated property is recorded at market value prevailing at date of donation. Depreciation is recorded on capital assets on a government-wide basis or in the Proprietary Fund using the straight-line method and the following estimated useful lives:

Buildings and historic museum	40 years
Building improvements	15 years
Infrastructure	30 years
Equipment	3-7 years
Vehicles	5 years

#### I. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### J. Accrued Leave

The Town accrues vacation leave benefits when vested. The amounts include all balances earned by employees that would be paid upon employee terminations, resignations or retirements.

#### K. Fund Equity

The Town reports fund balance in accordance with GASB Statement 54, *Fund Balance Reporting and Governmental Fund Type Definitions.* 

#### NOTE 1-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### K. Fund Equity: (Continued)

The following classifications describe the relative strength of the spending constraints placed on the purposes for which resources can be used:

- Nonspendable fund balance amounts that are not in spendable form (such as inventory and prepaids) or are required to be maintained intact (corpus of a permanent fund);
- Restricted fund balance amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation;
- Committed fund balance amounts constrained to specific purposes by a government itself, using its highest level of decision-making authority; to be reported as committed, amounts cannot be used for any other purpose unless the government takes the same takes the same highest level action to remove or change the constraint;
- Assigned fund balance amounts a government intends to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates the authority;
- Unassigned fund balances amounts that are available for any purpose; positive amounts are only
  reported in the general fund.

When fund balance resources are available for a specific purpose in more than one classification, it is the Town's policy to use the most restrictive funds first in the following order: restricted, committed, assigned, and unassigned as they are needed.

Town Council establishes (and modifies or rescinds) fund balance commitments by passage of a resolution. This is typically done through adoption and amendment of the budget. A fund balance commitment is further indicated in the budget document as a designation or commitment of the fund (such as for special incentives). Assigned fund balance is established by Town Council through adoption or amendment of the budget as intended for specific purposes (such as the purchase of capital assets, construction, debt service, or for other purposes).

#### L. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Town does not have any deferred outflows of resources as of June 30, 2013.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Town does not have any deferred inflows of resources as of June 30, 2013.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### M. Net Position Flow Assumption

Sometimes the Town will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted - net position and unrestricted - net position in the financial statements, a flow assumption must be made about the order in which the resources are considered to be applied.

#### NOTE 2-PROPERTY TAXES RECEIVABLE:

Property is assessed at its value on January 1. Property taxes attach as an enforceable lien on property as of January 1. Taxes are payable December 5th. The Town bills and collects its own property taxes. The Town does not record an allowance for uncollectible receivables as all receivables are deemed collectible.

#### NOTE 3-DEPOSITS:

#### Deposits:

Deposits with banks are covered by the Federal Deposit Insurance Corporation (FDIC) and collateralized in accordance with the Virginia Security for Public Deposits Act (the "Act") Section 2.2-4400 et. seq. of the <u>Code of Virginia</u>. Under the Act, banks and savings institutions holding public deposits in excess of the amount insured by FDIC must pledge collateral to the Commonwealth of Virginia Treasury Board. Financial Institutions may choose between two collateralization methodologies and depending upon that choice, will pledge collateral that ranges in amounts from 50% to 130% of excess deposits. Accordingly, all deposits are considered fully collateralized.

23

#### NOTE 4-CAPITAL ASSETS:

The following is summary of changes in capital assets during the fiscal year:

Governmental Activities:		Restated Balance						Balance
		July 1, 2012	2	Additions		Deletions		June 30, 2013
Capital assets not being depreciated:	-				-

#### **Town Obligations**

NOTE 5—LONG-TERM OBLIGATIONS: (Continued)	
Details of the Town's long-term obligations are as follows:	
Incurred by Town:	
General Obligation Bonds:	
\$4,145,000 payable in monthly interest installments ranging from \$4,838 to \$242 beginning October 14, 2005 through September 14, 2025 and annual principal installments of \$75,000 beginning September 14, 2006 through September 14, 2025, interest payable at 4.00%	\$ 975,000
\$262,568 capital-related general obligation series 2004A bonds maturing in monthly installments of \$1,564 through March 18, 2024, interest payable monthly at 3.80%	165,672
\$372,426 capital-related general obligation series 2004B bonds maturing in monthly installments of \$2,670 through March 18, 2024, interest payable monthly at 6,10%	254,025
\$634,131 capital-related general obligation series 2004C bonds maturing in monthly installments of \$3,859 through March 18, 2024, interest payable monthly at 4.05%	 403,906
Total general obligation bonds	\$ 1,798,603
Capital Lease Obligations:	
The Town has entered into a lease agreement as lessee for financing the acquisition of two police cruisers. The police cruisers cost \$127,000 and were acquired with lease financing. Details of these leases are as follows:	
\$62,413 obligation for the purchase of three police cruisers, payable in monthly installments of \$1,816 through November 16, 2014, interest at 3.00%	\$ 30,182
Accrued Leave	\$ 24,762
Total governmental obligations	\$ 1,853,547

#### NOTE 6-CLAIMS, JUDGEMENTS AND COMPENSATED ABSENCES:

The Town has accrued the liability arising from outstanding claims and judgments and compensated absences. Town employees earn vacation leave based upon length of service. The Town has outstanding accrued vacation pay totaling \$24,762.

#### NOTE 7-RETIREMENT PLAN:

A. Plan Description

Name of Plan:	Virginia Retirement System (VRS)
Identification of Plan:	Agent Multiple-Employer Defined Benefit Pension Plan
Administering Entity:	Virginia Retirement System (System)

All full-time, salaried permanent employees of participating employers of public school divisions and employees of participating employers are automatically covered by VRS upon employment. Benefits vest after five years of service credit. Members earn one month of service credit for each month they are employed and their employer is paying into the VRS. Members are eligible to purchase prior public service, active duty military service, certain periods of leave and previously refunded VRS service as service credit in their plan.

VRS administers two defined plans for local government employees - Plan 1 and Plan 2:

- Members hired before July 1, 2010 and who were vested as of January 1, 2013 are covered under Plan 1. Non-hazardous duty members are eligible for an unreduced retirement benefit beginning at age 65 with at least five years of service credit or age 50 with at least 30 years of service credit. They may retire with a reduced benefit as early as age 55 with at least five years of service credit or age 50 with at least five years of service credit.
- Members hired or rehired on or after July 1, 2010 and Plan 1 members who were not vested on January 1, 2013 are covered under Plan 2. Non-hazardous duty members are eligible for an unreduced benefit beginning at their normal Social Security retirement age with at least five years of service credit or when the sum of their age and service equals 90. They may retire with a reduced benefit as early as age 60 with at least five years of service credit.
- Eligible hazardous duty members in Plan 1 and Plan 2 are eligible for an unreduced benefit beginning at age 60 with at least 5 years of service credit or age 50 with at least 25 years of service credit. These members include sheriffs, deputy sheriffs and hazardous duty employees of political subdivisions that have elected to provide enhanced coverage for hazardous duty service. They may retire with a reduced benefit as early as age 50 with at least five years of service credit. All other provisions of the member's plan apply.

#### NOTE 7-RETIREMENT PLAN: (CONTINUED)

#### A. Plan Description: (Continued)

The VRS Basic Benefit is a lifetime monthly benefit based on a retirement multiplier as a percentage of the member's average final compensation multiplied by the member's average final compensation multiplied by the member's average final compensation multiplied by the member's total service credit. Under Plan 1, average final compensation is the average of the member's 36 consecutive months of highest compensation. Under Plan 2, average final compensation is the average of the member's 60 consecutive months of highest compensation. The retirement multiplier for non-hazardous duty members is 1.70%. The retirement multiplier for sheriffs and regional jail superintendents is 1.85%. The retirement multiplier for eligible political subdivision hazardous duty employees other than sheriffs and jail superintendents is 1.70% or 1.85% as elected by the employer. The multiplier for Plan 2 members was reduced to 1.65% effective January 1, 2013 unless they are hazardous duty employees and their employer has elected the enhanced retirement multiplier. At retirement, members can elect the Basic Benefit, the Survivor Option, a Partial Lump-Sum Option Payment (PLOP) or the Advance Pension Option. A retirement reduction factor is applied to the Basic Benefit amount for members electing the Survivor Option, PLOP or Advance pension Option or those retiring with a reduced benefit.

Retirees are eligible for an annual cost-of-living adjustment (COLA) effective July 1 of the second calendar year of retirement. Under Plan 1, the COLA cannot exceed 5.00%; under Plan 2, the COLA cannot exceed 6.00%. During years of inflation or deflation, the COLA is 0.00%. The VRS also provides death and disability benefits. Title 51.1 of the <u>Code of Virginia</u> (1950), as amended, assigns the authority to establish and amend benefit provisions to the General Assembly of Virginia.

The system issues a publicly available comprehensive annual financial report that includes financial statements and required supplementary information for VRS. A copy of the most recent report may be obtained from the VRS website at <a href="http://www.varetire.org/Pdf/Publications/2012-annual-report.pdf">http://www.varetire.org/Pdf/Publications/2012-annual-report.pdf</a> or by writing to the System's Chief Financial Officer at P.O. Box 2500, Richmond, VA 23218-2500.

#### B. Funding Policy

Plan members are required by Title 51.1 of the <u>Code of Virginia (1950)</u>, as amended, to contribute 5.00% of their compensation toward their retirement. All or part of the 5.00% member contribution may be assumed by the employer. Beginning July 1, 2012 new employees were required to pay the 5% member contribution. In addition, for existing employees, employers were required to begin making the employee pay the 5% member contribution. This could be phased in over a period up to 5 years and the employer is required to provide a salary increase equal to the amount of the increase in the employee-paid member contribution. In addition, the Town is required to contribute the remaining amounts necessary to fund its participation in the VRS using the actuarial basis specified by the <u>Code of Virginia</u> and approved by the VRS Board of Trustees. The Town's contribution rate for the fiscal year ended 2013 was 8.57% of annual covered payroll.

#### C. Annual Pension Cost

For fiscal year 2013, Town's annual pension cost of \$38,863 was equal to the Town's required and actual contributions.

#### NOTE 7-RETIREMENT PLAN: (CONTINUED)

#### C. Annual Pension Cost: (Continued)

Three Year Trend Information										
		Annual	Percentage		Net					
		Pension Cost	of APC		Pension					
Fiscal Year Ending	_	(APC) (1)	Contributed		Obligation					
Town: June 30, 2013 June 30, 2012 June 30, 2011	\$	38,863 35,501 13,828	100% 100% 100%	\$	- - -					

#### (1) Employer portion only

The FY2013 required contributions were determined as a part of the June 30, 2011 actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions at June 30, 2011 included (a) an investment rate of return (net of administrative expenses) of 7.00%, (b) projected salary increases ranging from 3.75% to 5.60% per year for general government employees, 3.75% to 6.20% per year for teachers, and 3.50% to 4.75% for employees eligible for enhanced benefits available to law enforcement officers, firefighters, and sheriffs, and (c) a cost-of-living adjustment of 2.50% per year for Plan 1 employees and 2.25% for Plan 2 employees. Both the investment rate of return and the projected salary increases include an inflation component of 2.50%. The actuarial value of the Town's assets is equal to the modified market value of assets. This method uses techniques that smooth the effects of short-term volatility in the market value of assets over a five-year period. The Town's unfunded actuarial accrued liability is being amortized as a level percentage of projected payrolls on an open basis.

#### D. Funding Status and Funding Programs:

As of June 30, 2012, the most recent actuarial valuation date, the plan was 124.82% funded. The actuarial accrued liability for benefits was \$71,926 and the actuarial value of assets was \$89,777 resulting in an unfunded actuarial accrued liability (UAAL) of (\$24,851). The covered payroll (annual payroll of active employees covered by the plan) was \$453,408 and ratio of the UAAL to the covered payroll was (3.94%).

The schedule of funding progress, presented as Required Supplementary Information following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability (AAL) for benefits.

#### NOTE 8-CONTINGENT LIABILITIES:

At June 30, 2013 there were no matters of litigation involving the Town which would materially affect the Town's financial position should any court decisions on pending matters not be favorable to the Town.

#### NOTE 9-OPERATING LEASES:

<u>Lease Revenue:</u> The Town leases certain commercial buildings and office suites in its Town Hall Properties. The non-cancelable operating lease agreements expire at various times throughout the fiscal years ending June 30, 2014 through 2018. Most of the leases are for one year with annual renewals of two to five years from inception. Rental income from these non-cancelable operating leases was approximately \$279,271 for the fiscal year ended June 30, 2013. The approximate future minimum lease rentals to be received by the Town's business-type activities are as follows for the fiscal years ending June 30:

Year ending June 30:		
2014	\$	210,504
2015		158,019
2016		165,916
2017		47,738
2018	_	19,295
	\$	601,472

#### NOTE 10-FUND BALANCE/NET POSITION RESTATEMENTS:

#### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To The Honorable Members of the Town Council Town of Haymarket Haymarket, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the Specifications for Audits of Counties, Cities, and Towns, issued by the Auditor of Public Accounts of the Commonwealth of Virginia; and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States the financial statements of the Town of Haymarket, Virginia as of and for the year ended June 30, 2013, and the related notes to the financial statements, and have issued our report thereon dated September 24, 2013.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Town of Haymarket, Virginia's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the effectiveness of Town of Haymarket, Virginia's internal control. Accordingly, we do not express an opinion on the effectiveness of Town of Haymarket, Virginia's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Town of Haymarket, Virginia's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to management of the Town of Haymarket, Virginia in a separate letter dated September 24, 2013.

This report is intended solely for the information and use of the Town Council, management, and others within the entity and is not intended to be and should not be used by anyone other than these specified parties.

Charlottesville, Virginia September 24, 2013 Robinson, Farmer, Cox Associates

CERTIFIED PUBLIC ACCOUNTANTS

A PROFESSIONAL LIMITED LIABILITY COMPANY

DATE:	September 24, 2013
MEMORANDUM TO:	Town of Haymarket, Virginia
FROM:	Robinson, Farmer, Cox Associates
REGARDING:	FY 12-13 Audit

In planning and performing our fieldwork as part of the audit of the financial statements of the Town of Haymarket, Virginia for the year ended June 30, 2013, we considered the Town's internal control structure to plan our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

However, during our audit we noted certain matters involving the internal control structure and other operational matters that are presented for your consideration. This letter does not affect our report dated September 24, 2013 on the financial statements of the Town of Haymarket, Virginia. Our comments and recommendations are intended to improve the internal control structure or result in other amounts that are normally operating efficiencies. We will be pleased to discuss these comments in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations and request your reply to corrective action initiated.

#### Governmental Accounting Standards Board Pronouncements

In order to assist your staff in preparing for upcoming accounting changes, we have included the following summaries of Governmental Accounting Standards Board (GASB) pronouncements that will affect the Town in upcoming years.

<u>GASB No. 68 - Accounting and Financial Reporting for Pensions</u> - The objective of this statement is to improve accounting and financial reporting by state and local governments for pensions and to better report pension expense and pension liabilities. This statement is effective for periods beginning after June 15, 2014.

TO:Town of Haymarket Town CouncilSUBJECT:H.E.A.L. ProgramDATE:10/07/13

#### BACKGROUND

Last month, Marisa Jones who is a representative of the Institute for Public Health Innovation presented the benefits and process of becoming a HEAL community. Becoming a HEAL Community is free and easy. When a municipality joins HEAL Cities & Towns, it gets access to expert staff, sample policies, and assessment tools. By becoming a HEAL Community, the Town of Haymarket would receive the following benefits: HEAL City/Town logo for use, a custom press release, online recognition, and recognition at future VML events.

#### RECOMMENDATION

I would recommend adopting the following resolution for the Town of Haymarket to become a "HEAL Community" promoting healthy eating and active living.

#### ATTACHMENTS:

HEAL Resolution (PDF)

Attachment: 10-07-2013 TC Packet for Work Session(1621:October 7, 2013 Draft Town Council Agenda Packet)

#### RESOLUTION #20130903-2

#### Becoming a HEAL Community

WHEREAS, the Town has the ability to affect the health and wellbeing of its residents; and

**WHEREAS**, through planning and design the Town can encourage a built environment that promotes walking, biking, and other forms of physical activity that promotes healthy lifestyles; and

WHEREAS, obesity has taken a tremendous toll on the health and productivity of all Virginians; and

**WHEREAS**, supporting the health of residents and the local workforce would decrease chronic disease and health care costs and increase productivity; and

**WHEREAS**, it is within the Town's Comprehensive Plan to strive to be an active and walkable community through initiatives such as the Virginia Department of Transportation's "Complete Streets" effort;

**WHEREAS**, the Town sees merit in supporting initiatives that promotes healthier lifestyles while still being able to enjoy all of life's opportunities and acknowledge that a healthy lifestyle is a personal choice;

**NOW, THEREFORE, LET IT BE RESOLVED** that the Town of Haymarket hereby recognizes that obesity is a serious public health threat to the health and wellbeing of adults, children and families in **Haymarket**, and a commitment is needed to put healthy choices within reach for all residents. While individual lifestyle changes are necessary, individual effort alone is insufficient to combat obesity's rising tide. Significant societal and environmental changes are needed to support individual efforts to make healthier choices. To that end, the Town of Haymarket adopts this Healthy Eating Active Living resolution:

#### I. Built Environment

**BE IT FURTHER RESOLVED** that the Town of Haymarket elected officials, planner, engineer, community economic and redevelopment personnel responsible for the design and construction of parks, neighborhoods, streets, and business areas, should make every effort to:

- § Prioritize capital improvements projects to increase the opportunities for physical activity;
- § Plan and construct a built environment that encourages walking, biking and other forms of physical activity;
- § Address walking and biking connectivity between residential neighborhoods and schools, parks, recreational resources, and retail through design and layout;
- § Revise comprehensive plans and zoning ordinances to increase opportunities for physical activity wherever and whenever possible, including complete streets policies, compact, mixeduse and transit-oriented development;

#### II. Workplace Wellness

**BE IT FURTHER RESOLVED** that in order to promote wellness within Town of Haymarket, and to set an example for other businesses, **the Town of Haymarket** pledges to work on adopting and implementing a workplace wellness policy that will:

II.

- § Establish physical activity breaks for meetings over two hours in length;
- § Continue to provide for a water resource and promote water consumption in the workplace and at meetings
- § Explore the development of a fitness benefit providing opportunities for paid physical activity breaks during the work week for municipal employees, and/or reduced membership rates at local fitness centers

#### III. Healthy Food Access

**BE IT FURTHER RESOLVED** that **the Town of Haymarket** elected officials, staff, community economic personnel responsible for the design and of parks, neighborhoods, streets, and business areas, should make every effort to:

- § Work with the local Farmers' Market to promote and expand its current operation for the benefit of the residents of the Town.
- § Create a Memorandum of Understanding with the Farmers' Market to provide them a long term agreement for the location of the Farmers' Market to establish long term success.
- § Work with local restaurants to promote healthier options to existing menus through a Healthy Restaurant Recognition Program.
- § Work with HEAL representatives to create nutritional guideline to better define healthy options.

#### IV. Implementation

**BE IT FURTHER RESOLVED** that the elected officials and staff should annually review the steps taken to implement the Resolution, discuss additional steps planned, and any desired actions that would need to be taken up by the town council.

BE IT FURTHER RESOLVED that Town of Haymarket staff shall work with HEAL Cities & Towns Campaign Staff to explore HEAL policies and to identify those policies that are suitable for the Town's unique local circumstances.

BE IT FURTHER RESOLVED that staff will report back to this Council with recommendations not later than the beginning of 2014 with ideas and concepts for implementing healthy initiatives in and around the Town.

Done this 7<sup>th</sup> Day of October 2013

TOWN OF HAYMARKET, VIRGINIA

BY

David Leake, Mayor

ATTEST:

Jennifer Preli, Town Clerk

Voting Aye: Voting Nay: Abstaining: Absent:

TO: Town of Haymarket Town Council SUBJECT: Appropriations & Budget Amendment DATE: 10/07/13

#### **Quarterly Appropriations**

Pursuant to Policy #20100816 adopted by the Town Council on August 16, 2010, it is requested that the Council appropriate the following for the second quarter of Fiscal Year 2014:

Police & Public Safety: \$171,874; Administration: \$97,457; Public Works: \$49,401; Legislative & Advisory:\$13,004; Museum: \$8,745

#### Budget Amendment & Appropriation

Vice-Mayor Tobias, staff and I have been watching the Building Official budget line item for the last couple of months. This line item is quickly seeing it's budget erode away and at the current pace will be over budget within the 2<sup>nd</sup> quarter of the fiscal year. This overage is due to the amount of inspections that are associated with Sherwood Forrest along with regular building inspections for renovation and remodeling projects around Town. This line item also includes any expenses associated with construction plan review and Erosion and Sediment Control inspections.

#### **OBSERVATIONS:**

- On the revenue side, we budgeted to receive \$10,000 in inspections; currently we have received \$8,690.00 which does not include current invoices. So we should easily eclipse the budgeted amount. So we are recouping some funds.
- In looking at last year's budget, for the Building Official we had budgeted \$56,000, we budgeted less this fiscal year (\$30,000).
- Sherwood Forrest is on their last two houses, so inspections for new construction should begin to slow down, which is what currently dominates our inspector's time.

#### **RECOMMENDATION:**

My recommendation is to move \$25,000 from the Streetscape Capital Reserve (currently at \$160,233.00). With the project starting later than anticipated, this should not be as much of an issue and I will remain diligent about making certain we are receiving reimbursements in a timely manner once the project begins.

#### **RECOMMENDED MOTION:**

I move that the FY 2014 budget be amended by reducing the 91000 Non-departmental - Street Scape Capital Reserve expenditure line item by \$25,000 from \$160,233.00 to \$135,233.00 and increase funding by \$25,000 to line item PUBLIC SAFETY: 4003130 - Building Official - Other Contractual Services.

Consideration moving forward:

 We have the ability to take over the Erosion and Sediment Control Program and Inspections in house. Holly is a Certified Administrator and I am certified Combined Administrator for Erosion

2.1.a

2.1.a

and Sediment Control (all three functions; administrator, plan review, & inspection) within the state. This would eliminate some SCE charges, but it would not eliminate expenditures for building inspections.

• ATTIVA CORPORATION INC dba STDIH (Addendum) (5) (PDF)

Attachment: 10-07-2013 TC Packet for Work Session (1621 : October 7, 2013 Draft Town Council Agenda Packet)

#### CONTRACT ADDENDUM

This Addendum, dated this \_\_\_\_\_ day of September, 2013, extends and amends the Contract made and entered into on the 5<sup>th</sup> day of October, 2011, by and between the TOWN OF HAYMARKET, VIRGINIA, a body politic, herein called "Town" and ATTIVA CORPORATION, INC., dba SPEND THE DAY IN HAYMARKET, herein called "Promoter".

Per Section 6 of the October 5, 2011 Contract, the parties agree to a one year extension to that Contract subject to the following terms, which supersede any contrary terms in the Contract.

1. For events during which Washington Street and/or Jefferson Street will be closed, the Promoter shall be responsible at its expense for securing an agreement with a Traffic Control company or Rental Company to ensure that "message display" boards are displayed announcing upcoming events a minimum of 5 business days prior to the event. If Virginia Department of Transportation (VDOT) determines that an alternative sign style may be utilized instead of a digital message display board, this substitution will be allowed if the alternative sign style meets VDOT standards.

2. If Promoter fails to pay the Town in full any obligations under this Contract within ten days of their due date, the Town may terminate this Contract immediately without giving Promoter prior notice or an opportunity to make the payment.

3. Promoter may not make any commitments on behalf of the Town or in relation to any events covered by this Contract that extend beyond December 31, 2014.

4. Promoter shall coordinate with the Town Manager the location of all vendors and shall comply with all policies adopted from time to time by the Town Council for the regulation of events covered by this Contract.

5. Promoter shall report to the Town Manager before each event so that the Manager can relay the Promoter's progress to the Town Council.

TO:Town of Haymarket Town CouncilSUBJECT:Robinson's Paradise RezoningDATE:10/07/13

DJB Management, Inc. Profit Sharing Fund, has submitted an application to amend the Town zoning map in order to rezone the Robinson's Paradise Subdivision, encompassing approximately 8.08 acres, from the R-1 Residential Zoning District to the R-2 Residential Small Lot Single Family Zoning District. Pursuant to Section 58-425 of the Zoning Ordinance, it is recommended that the Town Council forward the application to the Planning Commission for consideration.

#### BACKGROUND

The subject site is located north of Route 66 and west of Jefferson Street / Old Carolina Road. The approved subdivision was for 16 single-family lots. The Applicant proposes 28 small lot single-family units. The property is planned Low Density Residential. The planned land use designation is intended to transition to lower density residential development along the perimeter of town consistent with the County's planned land uses. The County has since preplanned the area north of the subdivision to Commercial Employment Center (CEC).

Section 58-425 of the Zoning Ordinance states proposed changes in classifications of property shall be referred to the Planning Commission for its recommendation.

#### RECOMMENDATION

It is recommended that the Town Council adopt a resolution of intent to amend the Zoning Map of the Town of Haymarket and to forward the resolution to the Planning Commission for consideration pursuant to Section 58-425 of the Haymarket Town Code and the Code of Virginia, 15.2-2285, as amended. The resolution will direct the Planning Commission to consider such amendments, hold requisite public hearings, and forward their recommendation to the Town Council.

#### DRAFT MOTION(S)

1. I move that the Town Council adopt Resolution 20131007-1, Intent to Amend the Zoning Map of the Town of Haymarket

2. I move that the Town Council take no action regarding \_\_\_\_\_\_.

Or,

3. I move an alternate motion.

2.1.a

#### **RESOLUTION 20131007 - 1**

#### RESOLUTION TO INITIATE AMENDMENTS TO THE ZONING MAP OF THE TOWN OF HAYMARKET, VIRGINIA (ROBINSON'S PARADISE)

WHEREAS certain zoning map amendments have been submitted by DJB Management, Inc. Profit Sharing Fund, for consideration by the Town Council pursuant to the provisions § 15.2-2286(A)(7) of the Code of Virginia and § 58-422 of the Code of the Town of Haymarket, Virginia;

WHEREAS, the Town Council may consider such petitions in furtherance of the purposes of zoning as set out in § 15.2-2283 of the Code of Virginia and to further implement the Town's Comprehensive Plan;

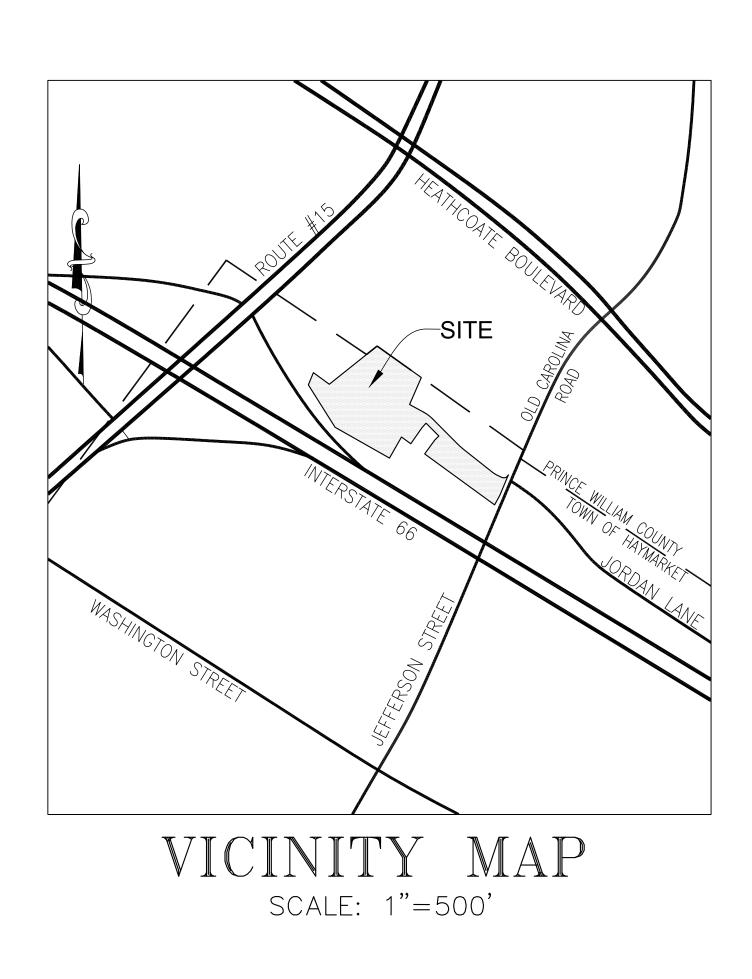

NOW, THEREFORE, BE IT RESOLVED that the Town Council states its intention to consider amending the Zoning Map of the Town of Haymarket, Virginia, to rezone 8.08 acres identified as GPINs 7298-91-6445, 7298-91-5551, 7298-91-4658, 7298-91-3864, 7298-91-2475, 7298-91-1779, 7298-91-0983, 7298-91-0286, 7298-81-9096, 7298-82-9505, 7298-92-0708, 7298-92-1502, 7298-91-2197, 7298-81-9576, 7298-91-0471, 7298-91-1267, 7298-81-8583 and Walter Robinson Lane, from Residential District R-1 to the Residential District R-2 (Small Lot Single Family Dwellings);

AND BE IT FURTHER RESOLVED that the Town Council, pursuant to § 58-425 of the Haymarket Town Code, hereby refers these matters to the Planning Commission to consider whether these amendments are in furtherance of the public necessity, convenience, general welfare, and good zoning practice; to consider whether these amendments are consistent with the Town's Comprehensive Plan; to consider the impact of these amendments on the services, character, and needs of the community; to prepare draft amendments for consideration; and for the Planning Commission's recommendation in regard to these matters referred.

#### **Robinson's Paradise** Justification Narrative

August 31, 2013

Date:	August 31, 2013
<b>Rezoning:</b>	Robinson's Paradise
<b>Owner/ Applicant:</b>	DJB Management, Inc.
Applicant:	DJB Management, Inc.
Property:	Geographic Parcel Identification Numbers (GPIN): 7298-91-6445,
	7298-91-5551, 7298-91-4658, 7298-91-3864, 7298-91-2475, 7298-91-1779,
	7298-91-0983, 7298-91-0286, 7298-81-9096, 7298-82-9505, 7298-92-0708,
	7298-92-1502, 7298-91-2197, 7298-81-9576, 7298-91-0471, 7298-91-1267,
	7298-81-8583 & Walter Robison Lane
Zoning:	R-1, Residential to R-2, Residential (Small Lot Single Family Dwelling)

The Robinson's Paradise project is located on Jefferson Street directly across from Jordan Lane with a portion of the site boundary being located on the Prince William County and Town of Haymarket border. The project also has approximately 585 feet of frontage on Interstate 66. The configuration of the site consists of sixteen (16) lots from the previously approved Robinson's Paradise subdivision along with an existing open space parcel at the Western end of the project area. The site area consists of 6.1345 acres currently zoned R-1. The requested zoning classification is R-2, Residential.

The proposed rezoning to R-2, Residential, will adhere to the Small Lot Single Family Dwelling option available under this zoning classification and no other allowed uses will be considered. The proposed zoning, and unit type proposed, is one classification up in density allowed under the R-1 zoning designation. The Town's Comprehensive Plan designation for the project area is R-1, Residential. The proposed gross density for the property is 4.56 detached single family dwelling units per acre which is under the maximum allowed of 6 dwelling units per acre.

While the proposed zoning classification is one step beyond the Town's Comprehensive Plan designation for this area, the applicant feels there is justification for this rezoning request. At the time the Town applied the R-1 designation to this area Prince William County's Comprehensive plan designation for the parcels adjacent to this property was rural in nature. Since then, the County has increased the intensity of the land use adjacent to this site substantially. It is now designated as REC, or Regional Employment Center (see attached Exhibit "A"). This land use classification allows multistory office buildings and for up to 25% of a project area to be designated for residential use. Prince William Count's Comprehensive Plan deems that an acceptable housing type for REC is multifamily with a density of 16-30 units per acre. Considering the growth that is occurring in the area near the Route #15 and Heathcote Boulevard intersection, it very likely that either high rise office or high density multifamily residential will be located in this adjacent area. It should also be noted that the parcel lying directly opposite the Robinson's Paradise subdivision is currently zoned B-1, General Commercial and has an approved site plan allowing the construction of a three story office building.

#### Robinson's Paradise Justification Narrative August 31, 2013 Page 2 of 2

Additionally, much of the area within the Town limits that abuts Interstate 66 is currently zoned R-2, residential and developed as small lot single family dwelling or townhouses. As proposed, the design for the portion Robinson's Paradise presented in this proposal is in line with existing Sherwood Forest located directly across Interstate 66. Lot depths proposed on this application will accommodate driveways of sufficient depth to park a minimum of two cars entirely on the individual lots utilizing a parking space size of 9'x20'.

The internal road alignment shown on the Generalized Development Plan honors the alignment that was recorded under the previously approved subdivision plan. This allows the areas of the Robinson's Paradise subdivision that are not part of this rezoning request to develop as currently platted. Also, consideration has been given to allow for access and utility extensions in general conformance with those previously approved. The addition of an internal access point for the existing homes located between Walter Robinson Lane and Interstate 66 would allow for the possible elimination of an access point on Jefferson Street. This would consolidate ingress/egress traffic and improve road safety in the immediate area. Essentially, this application is proposing more of a resubdivision of lot lines for a portion of the Robinson's Paradise development rather than a wholesale redesign. The proposed plan maintains the current street alignment, stormwater management pond and open space locations. In addition, peripheral buffers have be added to the development to enhance screening between existing and proposed dwelling units allowing for minimal impact on the surrounding area should the rezoning request be approved.

In summary, the applicant feels the request for rezoning to R-2, Small Lot Single Family Dwelling, is justified for the above reasons. Care has been taken with the design to propose a use that fits within the existing parameters the site faces while honoring the spirit of recent development the Town has experienced for properties adjacent to the Interstate 66 corridor.
