

ARB Meeting
May 31, 2001

Certificate of Appropriateness

Richard Gillin, 6777 Fayette Street - replacement lamppost & brick paved walkway approved.

Michelle Heard, 6741 Jefferson Street, white French gothic picket fence for a cottage garden. Approved.

Oak Ridge Builders, Inc. Haymarket Square, Bleight Drive Douglas Burke presented. They want to build forty-seven units, two styles, A & B, and it was tabled till we can secure complete renderings. We looked at some brick samples for the fire places and chose #764 and Buckingham Tudor.

Red Rooster Antiques - porch railing - Mr. Newlon will provide us with ideas. (Price quote to follow).

Christopher Consultants is proposing to install skylights in their new office space and the ARB had no problem with that as long as they used flat glass and a dark frame.

Old Business

Signs for Town Center Property - design ideas from Mr. Newlon.

Mr. Newlon will charge \$90 per hour with a cap of \$200 to do sign design ideas for the Town Center Property and give us ideas for a design for a porch railing for the Red Rooster.

Exterior paint color chart review - We revised the color chart for exterior paint colors.
