Councilman Price spoke on the presentation that will be given by the Students of the NOVA Architectural Class on May 6, 1993 at 8:00 p.m. in Room 216 on the NOVA Campus. The Students will be presenting their ideas for the renovation of the Town of Haymarket using different styles of architecture. All those interested were invited to attend.

Nancy Bailey:

Nancy Bailey reported to the Council that Sarah Turner's attendance of the Planning Commission's meetings was much appreciated, and her input helpful.

BOBBY MCMANUS, GAINESVILLE DISTRICT SUPERVISOR:

Bobby expressed her concern on the following:

- 1) The Reenactment of the Second Manassas will be held on August 28th & 29th. 30,000 people were expected.
- 2) Trash recycling - Bobby recommended that everyone call Tom Miteler or Sherman Patrick.
- 3) 18th Century Haymarket - Bobby suggested that the Town ask Mr. Bolt for some financial support for the area schools.
- 4) A Bond sale for Gainesville School will be held in September.
- 5) Summer hire for youths - Bobby asked that anyone who had part-time job opportunities this summer to please contact her.

Questions for Bobby:

Nancy Bailey expressed her concern that Haymarket did not have any recreational facilities to offer it's youth.

Bobby said that she would like to see recreational facilities out in Western Prince William County. Currently there is a 3-way negotiation going on between Prince William Institute(George Mason), Prince William County, and the City of Manassas for a Recreation Center. The proposed facility will be located off the 234 bypass.

Nancy Bailey also expressed her concern that even though the Town of Haymarket pays taxes to the County, it will not be sprayed for mosquitos this summer. Bobby said that she would look into it.

Councilman Hancock asked Bobby if there were any chance for a traffic light at 29 & Linton Hall Road. Bobby said that a temporary light would be put up in June.

With regards to Bobby's concern on recycling, Mayor Kapp advised that no action would be taken until the Town Council visited the facility in Leesburg.

HISTORICAL COMMISSION:

Sarah Turner reported that the Historical Commission would be holding flea markets beginning May 15, 1993, to benefit the restoration of the caboose. The Commission would like to invite people to set up tables as well as have Crafters come and join in. A \$5 fee would be charged by the Commission for each table. Sarah asked the council to look into any necessary permits/requirements.

Mayor Kapp advised Sarah and the Council that the Waterworks Grant was denied for this year but that the Rural Development Authority had money.

CITIZENS TIME:

Glenwood Bear:

Mr. Bear expressed his concern about illegal peddlers soliciting door to door in Haymarket. Mr. Bear wanted to know if he should contact the Police Department.

Mayor Kapp recommended that everyone ask to see a peddlers license when confronted by a peddler at their door. All peddlers soliciting in the Town must carry a valid Peddlers License.
