Mrs Bean brought up the subject of reimbursing Denniw Wrye for his services as Chairman of the Planning Committee. It will be discussed further at the Nov. meeting.

CABLE T. V.

A representative from Telesat Cable T. V. was present at the meeting but since Mr. Bird who has been working on the issue, was not at the meeting, he decided to wait until he is present, saying they would like to start immediately if they get the franchise. When asked the price of converters, it was mentioned that they could be rented for \$2.50 per month or purchased for \$40, plus \$1.60 tax

POLICE BUSINESS

Mr. Melton asked about the Police Cruiser and suggested selling it as a new one is needed to be purchased but Council decided to wait for a while. Councilwoman Freeborn made a motion to advertise for 2 weeks the job of Police Sergeant, both in the Journal Messenger and the Fauquier Democrat, this was seconded by Councilman Utz and approved.

It was also mentioned that the letter sent to the Insurance Co. cancelling the Insurance on the Police Cruiser had been recinded due to the fact that it might be harder to get again or the Insurance premium would be higher.

SUBDIVISION

Mr. David Tinkham, representing the Double 'T' Corp. of Great Falls presented a proposal for a 165 unit townhouse project and if approved, would bring public water into the town. There would be townhouses on about 14 acres south of Interstate 66 and apartments on half of the front of the property. At the present time the Zoning Ordinance excludes apartments in Town.
