

JUNE MEETING

The June 21, 1982 meeting was called to order by Mayor Muriel Gilbertson with a prayer and the Pledge of Allegiance.

When the roll call was taken, it found all members of Council present. Town Attorney Turner Smith and other residents were also there.

Minutes of the April meeting and the April Public Hearing were read and approved.

Treasurer Gertrude Bean reported a balance at the end of May of \$15,524.85 in the General Account and \$551.70 in Revenue Sharing. Councilman James Gossom suggested that the money in the General Account be put into SCAT or something similar that the Bank offers. Mrs Bean was concerned about the telephone bill which seems to be running about \$8 or \$9 more each month. This is to be checked on.

Referring back to the April Public Hearing on the new Proposed Zoning Ordinance, Mayor Gilbertson asked Alan Gossom if he had any more to say on the subject. Mr. Gossom responded that he wanted to get some of the men together who it concerned, get legal help, get the input from the Town's residents, get in touch with the Planning Committee to work things out.

This would take time therefore Alan Gossom asked that the next Public Hearing be postponed for six months. Councilman Hugh Orndoff made a motion that this be done, 2nd by Councilwoman Bean and unanimously approved. A Town resident Fewell Melton asked that a definite date be set for this. Councilwoman Gertrude Bean made a motion that the 2nd Public Hearing be held Dec. 6, at 8 p.m., Councilman Hugh Orndoff 2nd

it and it was approved.

Alan Gossom received a building permit to put a storage building, size 20 by 60 on the Hardware Store. Bean made the motion to issue it and Orndoff seconded it, approved by the rest of Council.

Mrs Bean reported the light that was out on Payne De. had been repaired.

The Mayor asked Council if they would make a motion that she apply to the Division of Litter Control for \$300. It would be past the deadline since no meeting was held in May. Councilwoman Anne Smith made the motion, Councilman James Gossom 2nd it and it was unanimously approved.

Next the connection for sewerage at Town Hall was discussed. More information was needed on this as there was a question if the connection was put in now but not used, would they have to pay for the sewerage rates. The Mayor is going to check with John Sloper on this.

With no further business, the June meeting adjourned at 8:55 P.M.

RESPECTIFULLY SUMMITTED,

Dorothy Keller  
DOROTHY KELLER, TOWN CLERK
